Re: Water Right No. S2-28676

Dear Mr. and Mrs. Lampky:

In response to your request, you are hereby granted an extension to complete construction for the reasons below:

- Due diligence is shown in development of this project. A water line has been installed to the property line and the septic system is complete. Project design and engineering was completed and progress was made toward geotechnical certification.
- Delays were encountered due to computer hacking and inaccessibility of files needed to obtain a building permit.

The new deadline to complete construction and submit your *Construction Notice* is **June 1, 2016**.

If you have any questions, please contact Marie Peter at (360) 407-0279 or mpet461@ecy.wa.gov.
